LES AMIS

Welcome to Les Amis, a new restaurant by Matt Manning,
with Head Chef Aaron Subroyal at the culinary helm.

Les Amis means “the friends” in French, which feels fitting for a restaurant
built around everything we love about getting together.

There’s something special about sitting down to a really good meal
with people whose company you enjoy.
The food, the wine, the conversations that go on longer than planned.
It's why we do what we do.

Whether you're stopping by for a glass of wine and a few plates
or have the whole evening ahead of you, we want you to feel at home.
